The world's first Sub-dermal Research Project HAS PROVED that hair roots MAY BE ALIVE even on totally bald people! Look at the pictures above AND SEE FOR YOURSELF THE ACTUAL RESULTS of the Brandenfels Home System. Former Army Sergeant Don Nagle (above left) of Seattle, Washington, is shown holding two pictures. One, before using Brandenfels' and the second showing his progress 24 weeks after following the Brandenfels Home System of Scientific Hair Care. Mr. Nagle was a member of the volunteer group participating in Carl Brandenfels' research project who used Brandenfels' Formulas and Massage under medical observation. Mr. Nagle says, "Just to have stopped losing ground and to have a little more hair is wonderful. Now my hair is filling in where it had been sparse for years."

his picture showing exactly how he looked 8 weeks after using Brandenfels' Formulas and Massage. SEE HIM TODAY. Eldon gets "crew haircuts" and hopes for a television career before the camera.

Third in line is the Seattle, Washington, overseas radio/telephone operator, Mrs. Frances M. Harris. The first picture shows her as she appeared before using Brandenfels'. The second shows regrowth of her hair. She REALLY has a lot to smile about today, and proves the Brandenfels System is successfully used by women.

At the far right above stands Mr. Al Lifson, a Tacoma, Washington, grocery store owner displaying a picture showing how bald his scalp was before he used Brandenfels'. Mr. Lifson says, "My wife says I look years younger since my hair grew again."

Next is the Portland, Oregon, television student, Eldon Beerbower, holding

### MEDICAL RECORDS CONFIRM WHAT THESE PEOPLE SAY ABOUT THE BRANDENFELS' SYSTEM

Carl Brandenfels has over 17,000 certified letters from men and women saying they have received from ONE to ALL of the following results with Brandenfels' formulas and unique system of pressure massage.

- ✓ RENEWED HAIR GROWTH
- ✓ RELIEF FROM DANDRUFF SCALE
- ✓ LESS EXCESSIVELY FALLING HAIR
- ✓ IMPROVED SCALP CONDITIONS

Brandenfels' Home Course of Scientific Hair and Scalp Care was SPECIFICALLY DESIGNED to soften the scalp tissue. The completely different pressure massage helps increase the vital supply of blood to the entire scalp area, producing a more healthy scalp condition and in turn, helps nature grow hair.

#### CALIFORNIAN GROWS HAIR!

"My hair was falling rapidly for five years. After using Brandenfels' Face began to grow in bald spots, and then some of the fuzz turned to real brown hair."

**HAROLD L. OTT**  
12023 Hancock St.  
Culver City, California

#### PARATROOPER GETS RESULTS!

Sgt. Matthew Jones says, "Sure glad to see new hair coming through. I lost most of my hair as a paratrooper when I used the Brandenfels System."

**SGT. MATTHEW JONES**  
112 East 7th Street  
New York, New York

### ★ DON'T PUT IT OFF!

If you have excessively falling hair, ugly dandruff scale, a tight, itching scalp, a rapidly receding hair line, or any unhealthy scalp condition which is not conducive to growing hair, DON'T WAIT! It may be possible for you to arrest these conditions RIGHT IN THE PRIVACY OF YOUR OWN HOME without expensive office calls. Carl Brandenfels does not guarantee to promote new hair growth, because not every user has grown new hair. He emphatically believes, however, that his formulas and unique pressure massage will bring about a more healthy condition of the scalp that in many cases helps nature grow hair. YOU OWE IT TO YOURSELF...YOUR BUSINESS ACQUAINTANCES...AND YOUR FAMILY to give the Brandenfels System a thorough trial. Brandenfels' wonderful formulas are non-sticky, non-odorous and they will not rub off on bed linens or hot bands. The formulas and massage are pleasant and easy to use. Enclose \$15.00 plus \$3.00 Federal Tax (Total \$18.00). Send your order to Carl Brandenfels, St. Helens, Oregon.

### PLEASANT TO USE AT HOME

IF YOU DO NOT HAVE THIS PROBLEM, PASS THIS IMPORTANT MESSAGE ON TO A FRIEND

### First Pictures INSIDE THE LIVING BALD SCALP prove hair roots may be alive!

For several years people have volunteered to participate in Brandenfels' Clinical research project conducted by medical doctors and technicians. A photo in this project was the study of tissue from "beneath the scalp" where hair actually grows.

#### SURGICAL INCISION

Picture No. 1 shows incision after tissue has been surgically removed from the bald area of the scalp.

#### ACTUAL SCALP SECTION

Picture No. 2 shows actual biopsy section (1" x 1/4", skull deep), surgically removed from the scalp.

#### UNPRODUCTIVE HAIR FOLLICLE

Picture No. 3. Thin slices of scalp sections were mounted onto slides and viewed under a powerful microscope. This examination of tissue from bald areas revealed in many cases, follicles (hair roots) were alive YET NOT PRODUCING HAIR! Medical transcripts from this research indicate the use of the Brandenfels System offers bald people wonderful new hope. (Surgery on the scalp was performed on the test group only, hair roots may still be alive!)

## MEN PAST 40

**Afflicted With Getting Up Nights,  
Pains in Back, Hips, Legs,  
Nervousness, Tiredness.**

If you are a victim of the above symptoms, the trouble may be due to Glandular Inflammation. A constitutional Disease for which it is futile for sufferers to try to treat themselves at home. Medicines that give temporary relief will not remove the cause of your trouble.

To men of middle age or past this type of inflammation occurs frequently. It is accompanied by loss of physical vigor, graying of hair, forgetfulness and often increase in weight. Neglect of such inflammation causes men to grow old before their time—premature senility and possibly incurable conditions.

Most men, if treatment is taken before malignancy has developed, can be successfully **NON-SURGICALLY** treated for Glandular Inflammation. If the condition is aggravated by lack of treatment, surgery may be the only chance.

### NON-SURGICAL TREATMENTS

The **NON-SURGICAL** treatments afforded at the Excelsior Institute are the result of 20 years research by scientific Technologists and Competent Doctors.

The War brought many new techniques and drugs. These added to the research already accomplished has produced a new type of treatment that is proving of great benefit to man as he advances in years.

The Excelsior Institute is devoted exclusively to the treatment of diseases of men of advancing years. Men from all walks of life and from over 1,000 cities and towns have been successfully treated. They found soothing and comforting relief and a new zest in life.

### EXAMINATION AT LOW COST

On your arrival here, Our Doctors who are experienced specialists, make a complete examination. Your condition is frankly explained to you with the cost of treatment you need. You then decide if you will take the treatments needed. Treatments are so mild that hospitalization is not necessary—a considerable saving in expense.

#### RECTAL COLON

Are often associated with Glandular inflammation. We can treat these for you at the same time.
